Important Announcement Regarding Optima Insurance

Dear Patients and Friends,

Recently, the Optima Health insurance plan sent a letter to our patients stating that Dr. Barr and her staff were no longer Optima providers.

This information is not true. Optima recognizes that the letter was sent in error.

Optima is sending our patients a retraction letter but in the interim we want you and friends of the Barr Center to be assured that Dr. Lisa Barr, Morgan Rogers N.P. and Leslie Hodeen N.P. are all participating providers with Optima and that you should experience no interruption in your care.

If you or your friends and family have any questions about our status with Optima please feel free to call us at 757-578-2260.

Thank you for allowing us to care for you and your loved ones.

Dr. Lisa Barr and the Barr Center team

PS: If you have not yet visited us at our new office, The Barr Center at 933 First Colonial Road Suite 200, you're in for treat--great staff in our patient-centric practice in a welcoming office with all the same services as before. We look forward to seeing you. Please visit our website www.BarrCenter.com and join our FB community at [Facebook.com/BarrCenterVB/](https://www.facebook.com/BarrCenterVB/) for updates and upcoming practice information.
